WYOMING SPORTSPERSON GUIDE FOR 2024 STATE AND LOCAL ELECTIONS

In Wyoming, state and local offices make important decisions that affect our wildlife and hunting and fishing in the Cowboy State. Stay informed, stay engaged, and make a difference.

WYOMING LEGISLATURE

The **Wyoming Legislature** considers bills that impact sportspeople including:

- **Funding** for habitat conservation
- **Public land access**
- **Hunting seasons**
- **Management of fish and wildlife** by the Wyoming Game and Fish Department
- **Management of State Trust lands** by the Office of State Lands & Investments

WYOMING LEGISLATURE

Examples of recent bills relevant to sportspeople:

- **House Bill 147** - made wrongfully posting “No Trespassing” signs on public lands/roads illegal and punishable (passed).
- **House Bill 60** - would have required WGFD to pay landowners for range damage from over-objective elk populations (failed).
- **Senate File 118** - Supports reintroduction of bighorn sheep in the Sweetwater Rocks area (passed).
- **Large Projects Funding** - This annual bill authorizes the dispersal of Wildlife Trust Funds for statewide conservation projects such as mule deer habitat improvements and fish passage.

Hunt-Fish-Vote Wyoming is an educational voting resource for Wyoming hunters and anglers. This platform will not be used to support, endorse, or oppose any candidate or political party.

COUNTY COMMISSIONION

Each county is represented by a Board of **County Commissioners** who make decisions that affect sportspeople and wildlife including:

- **Access to public lands** via county roads.
- Land use plans, natural resource plans, and **development** proposals that impact wildlife and fish **habitat, crucial winter range, and migration corridors.**
- Protecting open space and supporting recreational infrastructure for communities.
- Making appointments to the Planning & Zoning commission and other boards.
- Commenting on Federal Land Planning efforts in their area—such as the recent BLM Rock Springs Resource Management Plan revision and the upcoming Bridger Teton Forest Plan revision.
